

Registering for TNT for the Active Site

A swimmer must become “registered” with TNT swimming through the Active site in order to utilize the on-line meet entry system. This can be done at the bottom of the Calendar page on the Tulare website:

- Active Links-	
Active Registration	As of November 2014, families must first register their swimmer on the Active site prior to signing up for swim meets.
Active Parent and Swimmer Portal	Use this link to access the swimmer and parent portal for <i>Active</i>

Although it is required to select one option from each of these two fields, it is important as to which section to select under the “USA Swimming Membership section. Programs outside of Tulare may be collecting annual membership fees in a different manner, so the Year Round Membership of \$65 SHOULD NOT BE SELECTED. Also, swimmers might have already been registered for the current year, so the Year Round Membership of \$65 SHOULD NOT BE SELECTED. Only select the Year Round Membership of \$65 if registering for the current, or upcoming (following September) year.
